Solid Waste Management in Delhi

Three municipal bodies - the Municipal Corporation of Delhi (MCD), the New Delhi Municipal Council (NDMC) and the Delhi Cantonment Board (DCB), are responsible for solid waste management in Delhi. MCD alone manage almost 95 % of the total area of the city.

ABOUT PROGRAMME

Department of Environment conducted Training programmes for Rag pickers on waste management with special emphasis on segregation of waste, types of waste, and safe disposal of the waste.

TRAINING PROGRAM INCLUDES:

- **Need of segregation of generated waste.**
- **Advantages of Reducing, Reusing and Recycling the generated waste to the maximum**
- **Precautions to be taken to maintain Health and Hygiene**
- **Importance of the usage of the accessories given or provided during the training programme.**
- **The importance of the education and family planning.**

- **Department of Environment conducted Training programmes for 4500 rag pickers during 2007-08 and 7000 during 2008-09 on waste management.**

Training the women ragpickers in making value added products out of the waste is continuing

- **Article like shoes, apron, groves and marks for their safety were provided to all the rag pickers.**

THANK YOU
