Using WIEGO and IAWP’s Greenhouse Gas Calculator to Demand a Just Transition

Ghana

Johnson Doe
President of Green Waste Pickers Cooperative
Kpone Landfill Waste Pickers Association
Lack of waste management in the Kpone Coastal Community is an environmental injustice, and an opportunity for wastepicker integration and a just transition.
Scoping for livelihood alternatives and collecting data
Kpone Landfill Waste Pickers Association establishes democratic elections and a cooperative society.
Presenting our work to the Kpone Katamanso Municipal Authority
Funding our own transition, still fighting for one that is just.
Funding our own transition, still fighting for one that is just
